LEGISLATIVE JUDICIARY

HB228

Valencia,

In the HB228 grey bill 05, is it possible to move the Section 9 new language in (6) to be included within (1)(c) of 45-8-321? Without that move it looks as if there would either be a conflict between (1)(c) and the new (6), or it might be a source of confusion for those who will later seek to understand the law.

This seems a matter of drafting style to me - one that you might correct.
